Mr. O'Donnell's Class Intro Practice Sheet II

<u>Historical Context:</u> Through out the history of human civilization it has been men who have lead the way down the paths of slavery, wasteful war and oppression. While it has been the women who have wisely forgone glory and power for the more important things in life. It has been women who bore the labor of our civilization while raising new generations. It is commonly said that you can't find a great man with out a women behind him.

<u>Writing Task</u>: Using the documents and your own knowledge of American history write an essay explaining:

- **why girls are physically and mentally superior to boys.**
